

# Between sea and nature, the most authentic Sicily

From the marina, it is easy to reach the beaches and historic centres of **Cefalù** and **Palermo**, the **Tindari** promontory, **Taormina** and the landscapes of **Mount Etna**, along with the charming villages of the **Madonie** and **Nebrodi** parks. A rich and diverse territory that tells the story of Sicily's two souls: the sea on one side, and unspoilt green nature on the other.

## Committed to sustainability

The marina's management follows principles of **environmental sustainability** and **protection**, recognised by international certifications and awards.

## In the heart of the Mediterranean

Capo d'Orlando Marina is a **new-generation marina**, designed for those who experience the sea with expertise and a strong focus on service quality. Overlooking the Tyrrhenian coast of the province of Messina, it offers advanced infrastructure, dedicated assistance and spaces designed for owners, crews and travellers. A Sicilian reference point from which to depart, stay and return.
